LOT 74 - 1997 Ford F350 Diesel Pickup

Description

1997 Ford F350 Diesel pickup. Crew cab, long box. 7.3L Powerstroke engine with chip (chip was for mileage improvement not power). 311,200 miles on it. New Turbo in 2022. Automatic transmission. Transmission has been rebuilt with a shift kit. Injectors and glow plugs have been replaced a couple of times. Engine is not intercooled. There is an aftermarket air cleaner system. Pickup is red in color except for the hood (brown), but there is a red hood included (has hail damage). AC works. Tires are good. Tonneau cover on the box. Interior is in good condition. VIN:1FTJW36F1VEC18927. Seller: Mike Rust. There is a reasonable reserve. The seller may lower the reserve at any time so winning bidders must be prepared to purchase it even if computer shows reserve not met.
