LOT 34 - 288 feet of plastic fence - buyer to remove

Description

There are 48 sections of this fence, each measuring 6 feet in length. Section are 40 inches in height - posts are taller. Buyer will be responsible for removal. Removal does not have to take place on the load out days. Be aware that removal will involve digging to remove the vertical pieces, bushwacking, branch removal, and more, and will more than likely take several days to complete. Some fence sections have damage, some of which is pictured. Some vertical sections have 4X4 wood posts inside, one of which is pictured.
