Sale Name: Virginia Widicker Estate Timed Online Auction **LOT 35 - Vintage 1960s large standing concrete deer family**

Description

3 concrete deer, as pictured. These are free-standing, not connected. The doe is in the best shape of the 3. Buck's tail has disintegrated, and there are cracks in the buck & fawn here & there, some of which are pictured. Be aware that care & muscle will be necessary to remove & transport these to your location. For reference, the buck measures over 4 feet in height, from base to antler tips.
